States - Merged States of Pudukkottai, Banganapalle and Sandur - Extension of Provincial laws by an Ordinance.

Under the provisions of the Extra Provincial Jurisdiction Act, XLVII of 1947, the Departments of the Secretariat extended to the merged States of Pudukkottai, Banganapalle and Sandur certain Central and Provincial laws which were considered to be necessary and urgent for administrative purposes in those areas. After the passing of the States merger (Governors Provinces) Order, 1949 the three merged areas mentioned above have to be treated as part of this province with effect from 1-8-49 and no law could therefore be extended to them under the Extra Provincial Jurisdiction Act on and from that date. As the laws which were applied to the merged States under the Extra-Provincial Jurisdiction Act, 1947 are, in law, distinct from those laws as applicable elsewhere, the Government of India propose to issue an Ordinance extending the more important Central Acts to those areas once again and they have asked the Provincial Government to issue a similar Ordinance etc. It is also proposed to include in these Ordinances the laws which have not yet been extended to the areas in question.

2. The Central Ordinance which was to have been promulgated on/...

on 1-9-49 has not yet been issued. According to present expectations, it is likely to be issued about the end of October or the beginning of November,1949. The date of promulgation of the Central Ordinance and the Provincial Ordinance should be the same. As it is, necessary for this Government to adhere to the above date for the issue of the Provincial Ordinance, the Departments of the Secretariat (all sections) may be requested to send a list of the Provincial laws which remain to be extended to the merged areas and which could not be extended on or after 1-8-49 on account of the passing of the States' merger (Governors' Provinces) Order,1949. The schedule to the Provincial Ordinance will therefore contain all the provincial laws which have already been extended as well as laws which have yet to be extended and which will, under the aforesaid Ordinance, be extended.

3. The Departments of the Secretariat may be requested to treat this reference as Immediate and to send their replies so as to reach this Department on or before the 24th instant. If no reply is received by that date from any Department it will be presumed that that Department has no laws to suggest for inclusion in the Ordinance. A consolidated reply may be sent for each Department.

To A.S.

Please see the Public (Political) U.O. Note on pp.1-2 above. They have called for a list of provincial laws which remain to be extended to the merged States, to be added to the schedule of the proposed ordinance.

2. This section is concerned with the administration of Paper Control orders which are in force under the Essential Supplies (Temporary Powers) Act, 1946 (Central Act XXIV of 1946) and Industrial Disputes (Madras Amendment) Act, 1949. As Public Dept. have called for only the list of Provincial Acts which are to be extended to the merged States, no action ~~seems~~ is called for so far as paper control orders are concerned.

As regards the Industrial Disputes (Madras Amendment) Act, 1949 (Madras Act XII of 1949) it may be mentioned that it has not been extended to any of the merged areas. It may be included in the Schedule to the proposed Provincial Ordinance. Public (Political) may be informed accordingly. It is presumed the Industrial Disputes Act, will be extended by the central Govt.

3. The Govt. of India Ordinance mentioned at p.1 above may be awaited till 15-11-49, for further action with regard to the extension of the Paper Control Orders to the merged States.

An extract of this note may be given to 'J' Section for consolidation.

A' above. The Industrial Disputes (Madras Amendment) Act, 1949 is primarily a validating act to validate certain acts of this Govt. The necessity for such validation does not exist in the merged States to which the Industrial disputes Act is

24

being applied now for the first time.
~~We need not therefore extend the amended Act to the merged States~~

As regards Section 10(2-A) of the amendment act, we have had occasion to remark that that Sec.n has introduced Complications and needed amendment.

On the whole it is better that the amendment act is not extended in its present form. The new Labour Relations Bill ~~is~~ is shortly to be enacted to replace the Ind. disputes Act (and the amendment Act also.)

Sub: STATES - Merged States of Pudukkottai, Banganapalle and Sandur - Extension of Provincial Laws - Introduction of a Bill in the Provincial Legislature.

U.O.Note No.4675/49-19, Public (Political), dated 24-10-1949.

In continuation of the U.O. notes cited, the Departments of the Secretariat are informed that the Government of India have now intimated that, in view of certain practical difficulties in promulgating an Ordinance for the extension of the Central laws to the merged States and Chief Commissioners' Provinces concerned, they have decided to introduce a Bill, on similar lines, in the ensuing session of the Dominion Legislature, which is scheduled to commence on the 28th November 1949. The Bill will also contain a commencement clause stating that the Act shall come into force on the 1st January 1950.

B

2. The above decision of the Government of India means that this Government also should, instead of promulgating an Ordinance for the extension of laws to the merged States introduce a Bill in the Provincial Legislature on the lines of the Central Government Bill referred to in paragraph 1 above. The Government of India have been asked to furnish this department with a tentative copy of their draft Bill for guidance in drafting the Provincial Bill. As the Provincial Bill should be complete and comprehensive and as the pro-

posed legislation should come into force on 1-1-1950, just like the Central Government Act, the Departments of the Secretariat are requested to furnish this department at a very early date with a complete and self-contained list of all Acts, Regulations, Ordinances etc., whether Central or Provincial, and whether already extended under the Extra-Provincial Jurisdiction Act, 1947, or not, relating to them, which they want to be extended now to the three merged States of Pudukkottai, Banganapalle and Sandur. It should also be stated whether the Acts, etc., should be extended as they are or with any modifications, and if so, with what modifications. The list should be in the form appended.

3. Each department is requested to send a consolidated reply.

to the merged States of Pudukottai, Banganapalle and Sandur.

The following paper Control orders are in force now in this Province:-

Centaal Actos Orders.

1. Paper Control (Economy) Order 1945,
2. Paper Control (Distribution) Order 1944,
3. Paper Control (Production) Order 1945,
4. Paper Price Control Order, 1945,
5. Paper (Prices of Imported Paper) Control Order 1944,
6. Paper (Prices of Board) Order, 1944,

Provincial Orders:

1. Notifications relating to the reservation and movement of paper.

All the control orders issued by the Central Government were made under the Defence of India Rules and now continue in force by virtue of section 17 of the Essential Supplies (Temporary Powers) Act, 1946. The Provincial notifications were issued under the Essential Supplies (Temporary Powers) Act, 1946.

These orders were extended to the States of Banganapalle and Pudukottai by this Govt. under the Extra-Provincial Jurisdiction Act, 1947 in G.C.Ms. No. 1586 dated 25-3-49. But under dection 5 of the Merged States (Laws) Act, 1949 this order has now been repealed. However there is no provision in the Merged States (Laws) Act, 1949 for extending these control orders etc. issued under the several Acts mentioned in the schedule. Legal may be requested to advise whether these control orders will not ~~be extended~~ automatically get extended to the merged states in view of section 17 of the Essential Supplies (Temporary Powers) Act, 1946 and if not, under what provision of the Merged States (Laws) Act 1949 can they be extended.

LEGAL DEPARTMENT.

The control orders referred to had already been extended to Banganapalle and Pudukkottai in the notifications at pp75-92cf of (P), under Central Act XXIV of 1946 as extended to those States by the Extra Provincial

Jurisdiction Act. The repeal of that Act by sec.5 of the Merged States (Laws) Act, 1949 does not affect the continuance in operation of the notification order etc. issued under the pre-existing Act and in force in the merged States. By virtue of s6(2) they will be deemed to have been issued under Central Act XXIV of 1946 as now extended by the Merged States(Laws) Act,1949. There is, therefore, no need to extend the Control orders again.

2. So far as Sandur is concerned, Central Act XXIV of 1946 was extended to it for the first time by the Merged States(Laws) Act,1949. Sec.17 of Central Act XXIV of 1946 cannot by itself have the effect of automatically extending these control orders to Sandur Action may now be taken to apply these Control orders to Sandur.under sec.3(1) & (2) read with sec.17(2) of that Act.

DEVELOPMENT DEPARTMENT

Please see the Legal Dept notes on pp.13-14 above.

The paper control orders may now be extended to the Sandur State by an order under section 3(I) and (2) read with section 17(2) of the essential Supplies (Temporary Powers) Act 46. They may take effect from 1.4.50. The D.C.C. has already intimated that there are no specific paper control orders in force in the Sandur state. It is for whether the following changes as orders suggested by Legal while extending the orders to other states, may be made in the orders while extending them to the merged state of Sandur:—

P17 of 8 (a) Soms. 3994 29.7.49

CPP 1925 M 3 (b)

1. Paper control (Economy) order 1945:-

1) Sub-Clauses (2) and (3) of clause 1 may be omitted. CPP 10/2/50 (c)

2) There is no control order relating to Newsprint at present. However it is presumed there is no necessity to modify clause 3 (2) of the order when applied to the state. -do- Legal / M. may be requested to advise

3. In clause 4 every proprietor of a newspaper is required to furnish to the Paper Controller a copy -do-

of each issue of the newspaper published after 31st December 1945 i.e. a day prior to the date of enforcement of this order in this Province. This date may suitably be changed to 31st March, 1950.

4. The restriction on the starting of newspapers etc. originally came into force on 7th November 1942. The date 7th November 1942 occuring in clause 9 was fixed with reference to those restrictions. As there were no control orders in force in the state, this date may be changed into 1st April 1950 both in clauses 9 (a) and 9 (e).

5. Clause 11(I) prohibits the printing or exhibition of any poster on paper other than poster paper after 1st February 1946. i.e. the date which is one month after the date ~~the day~~ on which the paper control (Economy) Order 1945 came into ~~fore~~ force. This date may conveniently be altered into 1st May '50

6. The reference to "1st January 1946", i.e. the date on which the paper control (Economy) Order '45 came into force, in clauses 13, 14, 15, 19, 20, 24 and 25 may be suitably ~~altered~~ amended as "1st April 1950," the date on which it is proposed to extend the order to the state.

7. The years 1939-1943 were fixed as the basic years for purposes of ~~determining~~ determining the quantity of paper which a printer, publisher or manufacturer of exercise books can consume in his business. The reference to the years 1939 in clause 20 and to 1943 in clause 14, 15, 20 and 25 are in order and do not seem to require any alteration.

8. In clause 14 a reference is made to Paper Control (Economy) Order '44. As this order was not in force in the state, for the words and figures "or if the printing — — — 1944" occurring in this clause, the words and figures " or if the printing press was started in the year 1944 exceeding such quantity as may be ~~exm~~ specified in this behalf by the Paper Controller." may be substituted.

9. Under clauses 17, 23 and 28 no person who was not operating a printing press or carrying on business as a publisher of books or manufacturer of exercise books on 12th June 1944, shall engage himself in such business after the Comencement of the order. 12th June 44 was the date on which

the paper control (Economy) Order 1944 was enforced. As no such order was in force in the Sandur state, these dates may be changed to 1st April 1950.

10. Clauses 22 & 29 make mention of the Paper control (Economy)Order 1944. As there was no order in force in the state, a clause, similar to clauses 22 & 29 of the Paper control (Economy)Order 1944 with slight modifications as below may be substituted;

"Every publisher of books/exercise books etc, who started business after the 1st January 1944 shall apply to the Paper Controller before the 1st May 1950 for fixing the quantity of paper other than newsprint which he may use in the printing of books/manufacture of exercise books etc, during any quarter, and, when the quantity has been fixed by the Paper Controller, shall not exceed it."

12. In the scheedule I to the order a reference is made to 1st April '44. The same date appears in Paper Control (Economy) Order 1944 also. This is about 2 months prior to the date of enforcement of the above order. This may therefore be changed to 1st February 1950 in the present order.

II. Paper Control (Distribution) Order '44.:

1. Sub-Clauses (2) and (3) of clause 1 may be omitted.

2. As there is no control order relating to newsprint in force now, there seems to be no necessity to modify clause 2.

3. In clause 8 the date 15th July 1944 was fixed as the date on which the paper manufacturers and importers were asked to submit a return of paper used by them during the years 1939-1943. When the order is applied to the state, the date may be changed to 1st June 1950. The years 1939 & 1943 in these clauses and also in the appended forms to this order, are fixed as basic years for puposes of determining the extent or capacity of one's previous business in paper. It does not therefore seem necessary to alter the years.

(4) In clause 11 and in form V appended to the order, 15th July '44 was fixed as the date on which any person other than

an importer or manufacturer had to submit a return, if he had stock exceeding 1 ton on the 12th June 1944 i.e. the date of the notification. In this case 15th day of July 1944 and "12th June 1944" may be changed to 1st June 1950 and 1st April 1950 respectively.

III Paper control (Production)Order '45.

Sub clauses (2) (3) and (4) of clause may be omitted as was done in the case of Banganapalle and Pudukotta ab.

IV. Paper Price control order 1945:

1. Sub-clause (2) of clause 1 may be omitted.

2. Sub-clause (3) of clause 1 makes a reference to the Paper Price control order 1944. As this order was not in force in the State, there seems to be no need to extend this sub-clause. It may be omitted.

3. Clause 8 refers to the Paper control (Economy) order 1944. As this order has been superseded by the Paper control (Economy) Order 1945, the words and figures 'Paper control (Economy) Order 1944' occuring in that clause may be substituted by the words and figures' Paper control (Economy) Order 1945'.

V. Paper control (Prices of Board) Order 1944.

Sub-clauses (2) and (3) of clause 1 may be omitted.

VI. Paper (Prices of Imported Paper) Control Order '44.

1. Sub-clauses (2) & (3) clause 1 may be omitted.

2. In clause 3(I) (a) and (b) and clause 3 (2), 15th October 1944 was fixed as the date after which special permission from the Central Government was necessary to sell imported paper. A little over one month from the date of the notification of the order (viz) 8th September 1944. This date may therefore be changed to 1st May 1950 in their application to the State.

3. If the above mentioned date is accepted, the words and figures '1st October 1944' in clause 3(2) on which date the merchants were required to submit their applications for price-fixation, can be changed to 15th April 1950.

4. In clause 4A, 15th April 1945 was fixed as the date fro

which the merchants were required to indicate certain particulars on the outside of paper packages. As this requires the indication of prices to be fixed under clause 3, this may be changed to 1st June 1950.

CPP 3(e) 10/2

5. In clause 5, 15th May 1945 was fixed as the date from which it was obligatory on the part of the dealers to indicate in a book the name of importers etc. The date in this case also may be fixed as '1st June 1950'.

VII Restrictions on the Movement and Distribution of paper.

The orders issued in G.O. No. 1496 dated 25-3-48 and 5805 dated 24-11-48 and 4003 dated 29-7-49, may be applied to the Sandur state subject to the following modification:-

P 45-46 3 (e)

For the words and figures' '1st April 1948' occuring in the notification relating to the restrictions on the movement of paper, the words and figures '1st April 1950' may be substituted.

With reference to M on p14 nf attention is invited to this Department's opinion at K on p4 nf of (P). If there is no control order in force now relating to Newsprint it is unnecessary to extend clause 3x2 3(2) to the merged State of Sandur. The following may be inserted as clause (ii) of the draft Notification I:-

DEVELOPMENT DEPARTMENT

Please see the Legal Dept. notes on pp.18-19 above. They consider that Sub-Clause (2) of clause 3 of the Paper Control (Economy) Order, 1945 may be omitted when the order is extended to the Sandur State as the Newspaper Control Order 1944 is not now in force and there is no control over Newsprint. But this sub-clause has been added in this part i.e. Part-II of the order to indicate that the word 'Newspaper' occurring in all the clauses therein do not apply to newspapers made out of newsprint. It seems therefore that a clause exempting newsprint from the purview of this part of the order should be incorporated while extending it to the Sandur State. Therefore the following clause may be substituted for clause 3 (2) of the paper Control (Economy) Order, 1945

"Nothing in this part shall apply to any periodical publication printed on Newsprint.

In the case of clause 2 of the Paper Control (Distribution) Order, 1944 also the same principle holds good. Therefore the definition of newsprint as given in the Newsprint Control Order 1941 may be added to this clause instead of the words "Newsprint Control Order 1941" while applying this order to the Sandur State. For clause 2, the following may therefore be substituted.

"Nothing in this order shall apply to Newsprint

that is white printing paper, in reels or in sheets, the fibre content of which comprises not less than 70 per cent of mechanical wood pulp and which weighs not less than 40 grammes per square metre." For orders.
